Court. Case No# 08C 14416 / Judge Buchholz

- 1) My name is Anthony Gritz, I filed a civil case with your court a few weeks ago, I filed a In Forma Pauperis Application, & Financial Affidavit concerning my financial status to proceed without prepayment of fees, & in support of my motion for appointment of counsel. My financial status has changed so I'm sending you this letter along with a new In Forma Pauperis Application as I no longer work for Food 4 Less, so I only have 1 job now, with less money, which I stated on the application.
- 2) I also want to add to my letter that was already filed about why, or concerning reasons or causes of discrimination that Mr. Tress Grassy Chit's used against myself. Deformation of character, libel & slander, mental stress due to the discrimination.
